

COSMOS GRANDIS

Type: 2-layer or 3-layer single plank engineered boards

Color: Deep black (coal black)

Oak grade: Natura B (Specially selected bog oak boards by grade and cut)

Texture: Brushed, aged, distressed, with original sawn marks

Finishing: Oil

Tongue and groove connection

Bevelled edges on 2 or 4 sides

The age of our Universe extends for the billions of years. That is why we have created COSMOS GRANDIS, the aged version of COSMOS flooring with original sawn marks.

This sophisticated texture demonstrates how the coal black colour of bog oak penetrates throughout the thickness of wood.
