

COSMOS TELUM

Type: 2-layer or 3-layer single plank engineered boards

Color: Deep black (coal black)

Oak grade: Select A (Prime), Specially selected Quarter sawn boards only

Texture: Smooth surface, Medullary rays pattern (mirror)

Finishing: Oil

Tongue and groove connection

Bevelled edges on 2 or 4 sides

Medullary rays pattern in COSMOS TELUM brings to mind sun rays which like arrows penetrate the black silence of Cosmos.

For this flooring we have picked only the highest quality quarter sawn bog oak with the deepest charcoal colour - COSMOS TELUM was created with the most luxurious interiors in mind.

2-LAYER FLOORBOARDS

Base layer - high quality BIRCH PLYWOOD.

Art. No.	Thick. (mm)	Top layer (mm)	Width 120 mm	Width 140 mm	Width 180 mm	Width 220 mm
2-CTL-16-A	15,5	3,5	✓	✓	✓	✓
2-CTL-21-A	20,5	5,5	✓	✓	✓	✓

Absolutely all COSMOS TELUM floorboards cut ONLY from marked part of log to achieve similar grain / pattern.

3-LAYER FLOORBOARDS
