

SAGRADA FAMILIA

Type: 2-layer or 3-layer single plank engineered boards

Color: Light grey with black flutes (old oak)

Oak grade: Natura B (Specially selected bog oak boards by grade and cut)

Texture: Brushed

Finishing: Unique *TimeShift* patterned finish, open flame heated, matt lacquer (water based)

Tongue and groove connection

Bevelled edges on 2 or 4 sides

The name SAGRADA FAMILIA has been chosen for probably the most beautiful flooring model in the ANTIQUE collection.

La Sagrada Familia in Barcelona is the perfect example how time can be captured in the makings of man. While being built, the final result awaits for us only in the future.

While SAGRADA FAMILIA has the lightest colour, the *Time Shift* finishing will reveal contrasting layer of bog oak.
