

# TRAKAI

NEW

Type: 2-layer or 3-layer single plank engineered boards

Color: Dark brownish with black flutes (old oak)

Oak grade: Rustic C (Specially selected bog oak boards by grade and cut)

Texture: Brushed, aged, with knots, darkened

Finishing: Unique *TimeShift* patterned finish, open flame heated, matt lacquer (water based)

Tongue and groove connection

Bevelled edges on 2 or 4 sides

Lithuania's most beautiful and majestic castle is TRAKAI, that is the only stronghold in the Eastern Europe. The Gothic style castle has been popular residence for the nobles of the Grand Duchy of Lithuania - most lavish feasts and regal festivities were held within these walls.

TRAKAI engineered flooring will aggrandize any interior and will add some aristocratic charm, so our living or working space will imbue our lives with grand ideas. Furthermore, unique *Time Shift* finishing Absolutely allows TRAKAI flooring to change with passing time as the castle has transformed from military stronghold to the symbol of a nation.
